"Finished my MBBS from BMCRI, MS from AIIMS Delhi and will start MCh neurosurgery from AIIMS Delhi from Jan 1. Alva's college Moodubidire was a life changing experience which taught me all about discipline, self-belief and most importantly, the understanding of concepts in science. The teachers in Alva's still remain the best I have come across and I consider myself extremely fortunate to have had the opportunity to study in such a dedicated institute. I still follow the study practices and time tables that I followed in Alva's and they have helped me in each step along the way. I'd like to convey my heartfelt gratitude to all my wonderful teachers and to Dr Mohan Alva for giving students this place which can only be described as an educational heaven."
